

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: David Dwayne Sanders LL

I am excited to be back to do my art.
This piece represents a bit of joy in
a world that has experienced so much
pain and sadness. I chose to make a
black panther and her two cubs because
once you look into the eyes of a panther,
black panther to be more specific, we can
all find a piece of ourselves in them. I
hope the new owner enjoys them as
much as I have making them.
