'Vitto' I have always love Art even as a kid

how I was feeling Art come's from my heart
every time I hold a pencil to me Art come's
out of happiness most ~~from~~ from pain or ~~sadness~~
sadness but no metter what always from
the hart. I made this Art piece for ppl.
doing time like my self all we looking is
for that litte bit of time back even if
is a litte bit of sand in the clock.
but no metter what in the end we hope
for the best and beautiful thing's in this
world thats what the rose means to me.
hope ppl. see what I see & feel in my Art.
