

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: Keith Rucker

I have always been creative, even in elementary school I would draw on everything - Book covers Desks my jeans and jackets. I just like to make people smile, think and even aware by the things I draw. I only just started with Acrylic Paint I am mainly a graphite artist (Black and Grey) I must say Acrylic is nice and a lot easier than I thought. The Fairy Piece is my first attempt with Acrylic and the frame is made of chipboard and popsicle sticks that comes from my carpentry background. I hope you enjoy my work. Thank you
