

Artist Statement — 30th Annual Exhibition of Artists in Michigan Prisons

Artist Name: Martin Rose / OUTLAW Art

I hope that the Art I create brings forth something from the onlookers as it does me to create it.

The OUTLAW brand i've put together is over 20 Years of Art work that i've donated through Family's Friend for different causes.

I want to thank PCAP for all that Everyone does to give the prisoners in the MIDOC a outlet and know that Everyone is truly appreciated.
