

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: Mr. Robert Matlock

First of all I would like to thank "Allah God" for blessing me with the talents. 😊

~~Since being in prison I have seen so many talented artists~~

~~who I would work with if I were out there in society at~~

~~this moment! Just looking at all the beauty and wonders, how~~

~~God blesses these individuals to produce and be creative and~~

~~use their minds to make an impact on the world around them.~~

~~Actually, I started drawing when I was in the world, my~~

~~teacher had told my mother that she saw that I had a~~

~~talent. I was just a small kid, so as I got older I started~~

~~going to the store buying tagboard. I love the white of course~~

~~because a drawing would look good on it with just pencil.~~

~~And when I watch alot of Disney movies I love how they~~

~~put them together. It's fantastic how you have alot of~~

~~creative minds that all come together to make a master-~~

~~piece. I think that's what made me wanna draw and I would~~

Please edit your Artist Statement to fit the space provided.
