Artist Name: Robert "sasquatch" Whittenburg

hey it's your friendly north American sasquatch
presenting you with drawing from my Art cave
by the time you read this my first book will be available
on Amazon "Drawn with sticks the pinup art of a north
American sasquatch" by Robert Whittenburg,
These pieces submitted were a release valve for me
to do something fun and easy after a year straight of
intense creation so I hope you enjoy them and
remember Squatch says "it's good to have thumbs" hugh"
