Ms. Beautiful

She was Beautiful

but inscrutable -
and she fixed behind her pain
her eyes
behind their rain,

were stained with sights of James,
mentally, emotionally, intellectually James, you see -
and Ms. Beautiful was the same.

Who could she blame?

the father with no name,
or the mother that she knew, and so aptly called James?

See, Ms. Beautiful was well known -
used, abused, given away, and sold -
Secrets withheld - and told,

damn, Ms. Beautiful changed things.
with all my heart, she'd say,

then leave me destitute and lonely the next day,
amazing.

Ms. Beautiful even went both ways

She says things she doesn't mean
believes what she hasn't seen

blinds herself from the start
and even breaks her own heart
never - the - less, still beautiful.

She's in the greatest of demand
Claimed by many

but truly experienced by a number I can count on 1 hand.
Who is she?

"Inspired By:
Usher, 'Hard 2 Love'"

She is from above.
Ms. Beautiful...
is five
