

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: Hyde

I would like to thank uofm and the PCAP program for giving me an outlet and a reason to continue to better myself through my art work and to many others that have had a major hand in the process of guiding my interest in painting (you know who you are ♡).

Art has really become a big part of my life helping me to cope, heal and explore my interests and talents. This is something I've never had time for, I'm glad that even though it's been during a stay in prison I've now had opportunity to do this and other constructive things with my life.

Thank you
