

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: Pell 4/6038

Hello to all! AS Always I would like to Express my
Thankfulness for your Interest in my Artwork, wh I lost my
Great Aunt this year so that was the Inspiration for "The
Elephant tree" - she loved Elephants and I have a love for
~~Pterurus Phoenix~~ Phoenix (fire birds) and I thought the
result of one would have to be ash - so I thought the Females
would be the Ash Birds - for balance ying / yang etc.
Thank you for supporting our work!
