

Artist Statement — 30th Annual Exhibition of Artists in Michigan Prisons

Artist Name: Lori Grotto

My Religion inspired me to show the two titles I say quite often.

My Road has been a very rough Road and these sayings keep me very grounded to walk, see a better way of living.

My Life is Like A Cup Half Full
this painting is full of all positive feelings
Emotionally Physically Spiritually. No room
for anything negative.

Enjoy Life As It is Given, you see bright
stars, water dripping over the Virgin's palms.
She reacts to life with Pure Serenity.
