

Artist Statement

Please include a statement to the exhibit visitors. This statement can include, but is not limited to information about your personal and/or artistic background, insight into why you create art and what you get out of it, or details about specific pieces that you are exhibiting.

PCAP Miniatures 2021 Exhibit

Artist Name: K.I.S.A. (Dunlap)

For the 2021 PCAP Miniatures Exhibit, I chose to do a portrait of one of my favorite singer/songwriters, the late Amy Winehouse. Her music speaks to me in ways that allow me to feel almost every word she says. Similar to her, I've faced and dealt with many demons. I feel that during this COVID-19 pandemic, she should be symbolically relevant. I think many people have been almost forced to look in the mirror and self-analyze and self-realize, during times of Quarantine. In 2020, we have seen how ugly humanity can become. Yet, and more importantly, we've seen how fragile we really are. Reach out to loved ones and others around you during these times and all others. You never know when they won't be there anymore. Worst of all, those around you could be the gems you'd otherwise look right past and miss. "Imperfections are what make our portraits as human beings."
