*PCAP Miniatures 2021 Exhibit*

Artist Name: Chris Dankovich

I'm grateful to PCAP. The hardships of COVID-19 have been difficult (for everyone), so it's pretty cool PCAP has figured out something for us for art. This works out perfectly for me to create as small mediums are perfect for black-and-white, and I'm partially colorblind.

This piece was inspired by the most fitting line from Shakespeare to me, from Hamlet. The background image is a geometrical design showing the ratio of Earth to the moon, Mercury to Earth in size, and the proportions of the orbits of the first three planets. My own design as well, sticking to the "Bounded in a nutshell" and king of "infinite space."
