

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: Roemello "Mello" Boseman

My Name is Roemello Boseman. I think my Artwork is Very Moody and Dark ~~with~~ with hints of beauty and life between the Dark and Death. My Art is heavily influenced by Movies (Lord of the Rings/Star Wars/Horror Films), Music (Bring Me the Horizon, Fit for a King) and Books/Authors (Stephen King, Brandon Sanderson, Robin Hobb). I try to use these influences in my art/tattoo work to convey the "hard to deal with" emotions like pain, sorrow, and Depression.

I hope you enjoy the Visuals I've used this year!

Thank You!
