Quiet Thinker, As a Man Thinketh, So Shall He Do!

This year I feel the need to show my appreciation to my
New Friend "Jack" who compared my work "Shadow of a
Man" with "The Old Guitarist" by Pablo Picasso.

As an artist I try to be as transparent as possible
and because of this, Jack understood "Shadow of a Man"
and it is my desire for all that view my art work see
and understand my reality as a man, human being and
prisoner.

I thought of "MR. JACK" I recreated, "The old
Guitarist" for his viewing pleasure. Hope I did a good
Job Jack?

"As a man thinketh" was done because I believe our
thoughts create our Past, Present and Future.

Thank you
