

Artist Name: Edward Loren "Evil Ed"

I would like to first say Thank you for this program, and for giving us a format to show that we are talented artists and allowing the people to have a better appinion of us. I use my art as therapy, I can always put on my music and draw/paint my way through almost anything. I've never did any art classes I just try stuff and most of the time I can put whats in my mind on paper. I hope the people enjoy looking at my art as much as I do making it. Again Thank you for this. I look forward to seeing it on my T.V and trying to decide what I'm going to do next year Thank you
