I would like to thank you for viewing my work & being as interested in them, as I am Drawing it. Art is my form of expression. It helps my mind to go to my creative place. what I have four pieces. each one is personally expressive to me As they are represent me best. let's start off with, 1) Homeland missed. I am really proud of my nationality & were I come from I miss my home country & my place of birth which is ST. Petersburg Russia. now #2) is title Sabbatic Goat. I am A carnal Satan & it is my religion & is the base of my religion. now #3) is titled Endless time it's A representation of my life being destroyed due to a life in correctional institutions. now #5) is my Favorite, & the title is "my hand is my own Destruction." now this is deeply personal, I have been the Architect of my Destruction & rebirth. And I destroyed my life with coming to prison, But I was the hand that was able to get An Degree two to be exact & worked hard to change the way I think about stuff & was therefore, transformed. So thank you for viewing my pieces & By all means, enjoy!
