

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: Koya Dogan

Let!!! It is freedom!!! It is beauty!!! It is expressive!  
It is so amazing too take your ideal and feeling and  
put it on a canvas and breathe life into it. Too express  
yourself is to be brave enough to face criticism. Too let  
the world see your flaws and joys of life. So I came  
with these painting call (FX) Flawless Xpression and  
Flawless Xpression 2. It's going to be a series of  
abstract painting that I'm going to bring to the  
world. My guards going to be down and I'm going  
to express myself freely without any worries!  
Watch me rise through the art of expression.
