PCAP Miniatures 2021 Exhibit

Artist Name: Johnny Craik IV

I love a wide variety of 20th century art, ~~as~~ as long as it's imaginative. If I had to choose 50 years it would be 1930 to 1970. Surrealism, early movie posters, and pop art are just some of my favorites. I think it's amazing that it took even the best of us ~~to take~~ this long to break free of ultra realism and get back to the true purpose of art - giving others an experience like they've never seen or felt before. Well, at least now it's abundant.

What do I know? Uneducated, self taught, over active imagination, fun taste, play with paint every day... That's what goes into my art. That's part of the reason it is what you see on the PCAP file, I like it, I hope you do too. (Is this a good time to ask if I can have a scholarship? Please?

I'd rather design sets for the 2030 version of Pee Wee's Playhouse, marketing, home decor, web design, sell art on the side, teach community college. Please? ~~Anything but~~ Please edit your Artist Statement to the space provided ~~customed service, cooking, or manual labor.~~)
