I hope you enjoy my Art work, as it took me a lot of time and effort to create. Art for me helps me escape from my surroundings, and helps bring so much more light into such a dark place. I like to paint, draw, make jewelry box's and clocks. "Maybe" if you're interested, I could draw, paint, or make you something. Just write me a letter telling me what you're interested in and make sure you provide your return address in the letter so I'll know where to send the art work and also let you know the price.

My art piece this year is a landscape painting but I through in a little twist there are "10" hidden objects within the painting. If you buy my painting <sup>please</sup> write me and let me know what you have <sup>found</sup> and I'll <sup>tell</sup> what there is still to find. Use your imagination. Thanks for your time God Bless.
