

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: Michael Dean

"Two yellow birds", I know that God cares  
for the birds so how much more does he care for me.  
Even though I sin, I know that God still loves me.

"Tender moment", I saw this image of two boys  
And I had to paint it. To make it my own  
interpretation of this photo.

I want to paint like the old masters to create  
images that could exist.
