

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: Carlos Ortiz

My Peace is LOVE ^{Art} is a example of how
Life, LOVE should be, Beautiful,
creative, Loving, and Peaceful. I made
these ~~roses~~ orchid flowers and transformed it
into an heart for "LOVE" and if you
look deeply you will also see "Peace"
and "beautiful" and thats how life should
be. I encouraged The world to have
more Peace is LOVE in their hearts and
"stop" the violence. "We Are The World"
so Lets make our world more Loving,
peaceful and Beautiful also creative.

Here is the word Peace
made out of roses
To complete
My Peace is LOVE
Art project.
