

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: RICKY PRESTON #3002202

I don't usually do 3D pieces, I usually just draw. But a few years back I submitted a 3D piece, and a lot of people really enjoyed it, so I decided that with the way that our world is today, that everyone could use something to make them feel good. So I figured I'd try my hand at 3D again, and challenge myself. I hope you all enjoy "for peaceful reflection" as much as I enjoyed creating it.
