

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: Israel Mora

Growing up poor and always on the road from Texas To Michigan,
I would see so many things. All the city and states I've
traveled through, I've seen Art in odd places and I understood the
story it told me and, I finally understood my own Artistic story.
I come from the worst of the worst and every warrior has
a story and these art pieces are my story of struggles and of life
full of my wins and losses in my life.
