

Artist Name: JAMES Smith

I draw and paint and, well I do all ART media's even poetry. I Believe God has Blessed Me with a Talent and the creativity and The Love to express my Thoughts and emotions through all the media's available to us I'm a Hands on guy I'm also a story teller as well as a poet I Love all art styles and The uniqueness they bring in the end I Believe that Artist are The Healers of this world and when they use there skills and talents they are serving God BY Helping people see The unseeable and understand a persons inner being. To sum it all up people need people and art is a way to Bring people together.
