

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: Casper

I use ART AS AN AVENUE OF healthy, positive self-expression.

While IT gives me purpose and A sense of control in a place mostly devoid of both.

I chose the design ^{of this piece} because it reminds me of the chaos and turmoil that exists inside this fence. I usually try to focus my ~~art~~ art on more positive designs, but after 2 years of covid related stress this is where my head's at.
