

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: Mooney

Since 2002 (w/a few missed yrs) PCAPS has allowed me a platform of expression that has helped me grow as an artist. I will never forget the opportunities that the UofM has opened up via PCAPS & even after release I hope to continue working w/ P-CAPS, & help it to continually grow.

Thank You to everyone at PCAP's for sharing your time & energise w/us prisoners. And a special Thank You to all of you art Viewers of the Exhibit who make it a success Year after Year. I hope you enjoy the art!

Thank You.
