

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: Woody A - Willard Adamson

I started drawing these Mountains just to see what I could come up with, how far I could take the drawings. I never thought I was good enough to get in a Art Exhibition. I draw because it takes me out of prison. I hope that people like my drawings and I hope they sell. If not, I'm okay with that too.

Thank you PCAP!
