

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: MICHAEL MONEMENT

To me art is beautiful in many ways and has many meanings, different to each individual. Creating art is ~~is~~ unique and expresses my inner feelings of emotions and thoughts. Sometimes I may want to say something that others may not understand because I ~~do~~ not have the words to say it, but, if you look at my art you may.

There are so many forms of art, if you think deeply everything is art. We are creators just like the One who created us. Everything I create is one of a kind, you will never see another the same. I push all those who think they may like art because practice makes us all better at it pursue your talents and you might find it to be much more.
