

Artist Statement 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: Dewitt Gallahan A.K.A. Stained

I am a local artist from Flint, MI. I have been doing a variety of Art styles since I was young. Photography is my passion, but I recently found joy in the experience of painting with oils. No matter what form of art I create, I want it to move people. Make them think, feel, and hopefully inspire them. My use of metaphors in my painting speaks to my desire for freedom and exploration. I don't want my art to change the world, I just want it to change someones view of it. I sincerely hope you enjoy.
