Suffocating, Have a Nice Rest of Your Day

I'm really into creative expression, whether it's painting, writing, music, designing, or whatever. You can find more of my (and others') ~~work~~ art and poetry online at Incarcerated Archives and Hamtramck Freeschool.^{.org} I have two books of poetry out: *Twenty Years: Reflections of an Empty Sky* (Soft Sculpture Press) and *The Sky full of Stars* (Meddah U).
