*Redeeming Your Time, The Beauty of Nature*

In my artwork (redeeming your time), reflects on time spent praying and talking to Jesus. We all need forgiveness and its hard for mankind to give forgiveness. It's what Jesus loves to do. This is why I placed the hands of the watch at 3:17. In John 3:17 God sent Jesus not to judge mankind but to forgive them. I'm asked a lot on how can I be so positive all the time after being in here 28 years. I tell them its all about faith.

My other painting (The beauty of nature) this one reflects a fall setting as I love the different colors nature has to show and the elk is just a bonus to this great scene.
