

Artist Name: Nathan Kerley

I Been Drawing All my life I thought
of a new creative way To Show people
my work Like opening up a Door
or a Book I thought that would
Be cool CAUSE a Door handle Describe
walking into Someone's world,
you entering INTO Someone mind
ON how he thinks or view the
world, with every Door we walk INTO
the FIRST time we Face, New things
New methods New opportunities, For
The FIRST time, BUT we can ALSO Face
Fear of what Lies Behind The Door
you open up To, my 4 Drawings
Represent, a picture by FIRST Looking
at it Say Little, but (oukes)
but as you grab the (Door handle)
you enter The world of The ARTIST
Nathan Kerley I hope This you
like

ARTShaw INJOY my work,
I love and I APPRECIATE you all
