

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: FAT Shaun.

Elephant in the room. As an artist I feel like
some individual might feel like the elephant in the
room. The odd ball, the outcast. In my eyes
I always think people may be talking
about me. Well being the elephant in the
room, stand up, stand out dont be afraid
to speak. Be positive. Because being quiet
being outcasted or shy you are standing
out. But your being looked at negatively.
Be positive stand out.
