

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: Danny Talbert

Divine Image - Cubes - Wood-Minor,
skinny sticks, Varn, acrylics.

When building Divine Image, I did
not really have an idea in My mind, but while
building, I get, and have ideas, and inspirations,
and this was built during covid and hard times,
and is a reminder of who We are, and who
We come from, and who's Image we're created
in, and who We should Trust in.

We are a beautiful Creation, and
are Created in God's Image, and are creators
ourselves.
