

Curse Gifted the Stray Dog

366-20, 367-20

She Remains, Love in the Distance

Please enjoy; remain open minded
The pleasure is always mine!
To Buzz Alexander: Wife and Family!
How can I say this without sounding like
I'm complaining: We've lost someone famous, A
companion beyond measures! Buzz would want
us to keep it together; continue serving in his
absence; breathing life in his passion, so that it never
dies! He has changed lives for the better; Free and
incarcerated! Buzz you are appreciated!! In the
esoteric teachings; I would have to believe that
your purpose here on earth has been completed!
Carry on my Friend and continue to be a Blessing
