Hello" to Whom may read This"... I would like to start With my Art Piece - "AMAZING GRACE", And first of all, I really do Love & Enjoy to Create Art Work", it is very Satisfying" to my Heart, Because I know From Deep down in my Heart That Before I start an Art Piece", I Thank The LORD" for all the Art material and Skill" That The LORD has provided for me to complete any Art work that I do. And for This Amazing Grace" HYMN" Song, My Heart told me That it would be very Pretty" as it Hovers" Atop" & Through" a "Church Steeple" overlooking Below" in the form of a Pretty White Dove" Thank You - my LORD JESUS". (MY CREATIVE IMAGINATION"). And, I had also thought That this certain picture" would be Great" With some Warm looking" soft & Smooth" MAGENTA" Colored Yarn", And" with all my Pictures" I also Glue an additional Piece of Blank Paper to the Back Side to Allow it to be more Sturdy" & Firm" because I send many Pictures" home to family & friends" Th-
rough The Postal Service Mailing System,

And I also Believe That it will Slide Nicely into a picture frame with this Extra Support. But Now, as you can see, instead of Glue" I have found it to be a Bit" more Creative" with this Colored Thread" that I have Sewed" instead of Glue, I like the Difference. And if you Notice the PURPLE" Colors in the Pic-Frame, I have Chosen the Color PURPLE" Because PURPLE" is the Color of the LORD JESUS". But much more; Because this Picture" Glorifies the LORD JESUS CHRIST" it - Deserved the Good Time" that it took me to Highlight" the Church Steeple" Shingled Roof, the BELL, & the Steeple" Wooden Frame Work. And I Wish for you to Enjoy" this Picture" as much as I do! Thank you much", And the same goes for my other two pictures here! My DaddY" is a Viet-Nam MARINE" Sergeant Sergeant" from Back in the 1960's, And I was Proud" to make this Picture of the U.S. MARINES", And last but not least, my Third" Picture" Can you IMAGINE" That, She's a little fairy tale" in a Garden" in her Turquoise" Dress" & Butterfly Wings". Thank you very much!
