

Artist Statement: 26th Annual Exhibition of Art by Michigan Prisoners

Artist Name: Paula R. Bennett

I've been doing artwork for as long as I can remember. I am never more proud of myself like I am when I finish a piece. Being an artist and being creative is my favorite thing about myself. All sorts of things inspire me, but nothing compares to the beauty of our planet. I hope that one day my artwork will touch some people's lives like it does mine.
