PCAP Miniatures 2021 Exhibit

Artist Name: Tou Lor

I had Never explored my artistic side before coming to Prison. I discovered Crocheting through a friend and fell in love with exploring how to create 3D structures and object using yarn. That creative bug in me popped up again when I moved in ~~with~~ with someone that painted. I was eager to play with medium despite my lack of experience. For me, its not as much about the finished product as it is the process to get there.
