

Artist Statement: 26th Annual Exhibition of Art by Michigan Prisoners

Artist Name: "Ghost One"

My primary interest in art is mostly confined to tattoo art. Tattooing, and drawing "flash" style pieces are my biggest passion, while I tend to lean more towards black and grey realism combined with a twist of neo-traditionalism, I have a deep rooted respect for all different styles, and genres.

I appreciate everyone who takes the time to give my work a look.
