

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: Instagram.com/c-levitt2023/

Firstly, I want to thank you for attending this exhibit and supporting incarcerated artist. Your support helps to make PCAP possible. Thank you! Secondly, I want to share with you why your support in me as an artist is important. This past year I had partnered with Colorado State University-Pueblo (CSUP) to develop a scholarship fund, The Levitt Fund, for incarcerated students. This fund helps to ensure other incarcerated individuals have the opportunity to take art classes and further their education at CSUP. In part, the initial funds for this scholarship has been funded by the sale of my artwork at an exhibit that was held September 8th 2023 at CSUP's Art and Music Building. This same exhibit will be held every year with all proceeds going towards the scholarship. The reason why your support in me as an artist is important is because the sale of my artwork here will provide me with the funds necessary to purchase art supplies that will enable me to continue my work with CSUP and PCAP. By supporting me you will also be supporting 10's of other inmate's pursuit of art and education. For more information on The Levitt Fund, you may call CSUP's Extended Studies at: (719) 549-2319.
