

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: Kevin Berry

What I would like for people to take from my pieces is that prisoners are people who go through the same exact situations as everyone else. We are people. Just like my piece "Touched By LIFE". I am a prisoner who has "life" in prison. But I am also ALIVE. That is my handprint to connect with all of you. I am one of many Lifers who are reaching out to be simply noticed by any of you. Please, place your hand on mine and feel the emotion, the pain, the love, the joy, the LIFE.
