

Artist Statement

Please include a statement to the exhibit visitors. This statement can include, but is not limited to information about your personal and/or artistic background, insight into why you create art and what you get out of it, or details about specific pieces that you are exhibiting.

PCAP Miniatures 2021 Exhibit

Artist Name: Pezo 492

My birth name is Robertio but I now go by Nevaeh.
I was born on September 29th 1988.
I was born and raised in the city of Kalamazoo with A half brother and sister. We had the same father. My half brother believed that my mother was better than his and decided I was in his way. He decided he should kill me and claim my mother as his own. He attempted to kill me many times. I've always had to be strong and the only way to handle the abuse I had to endure was my faith in God. Growing up I had to find A few way to cope with stress. Two ways I dealt with stress was to make music and create Art. I lost interest in making music after my mother died. I turned to Art to cope with my loss. My mother was great at pencil art so everytime I create art I ~~think~~^{think} of her. The person I am now is the person I should've been all my life. My life was hard but I'm not done living.
