

Artist Name: VEL

As a long-time PCAP Participant, the Wonderful People & Volunteers at the University of Michigan - PCAP; have shown me (New wonders) of the Art World, and have promoted my artwork to new heights by their hard work to showcase what I have done over the years, and to expand my art.

This year I'm presenting two pieces of art I'm very much proud of: ("Get Your Money"), and ("Prison Sucks - Geco"). I was inspired by all the insurance commercials, and for Get Your Money, I tried to include some of my fellow Native-American culture into my art for this year; as I'm 8% Ojibawa.

Thanks to PCAP, and all the new people who assist in this art shows' success.

THANKS,

Vel!
