Crochet fosters a profound sense of peace and meditative thought; Crochet is a passport for the mind. I can often tell what state of mind I was in when a project is complete. The name of this work is called "Hermes" and its brilliant hues have a message to deliver.

You are a light. You are the light. Never let anyone or any force - dampen, dim or diminish your light. Release the need to harbor division. Release all bitterness. Hold only to love, only peace in your heart, knowing that the battle of good to overcome evil is already won.
