

Artist Statement: 26th Annual Exhibition of Art by Michigan Prisoners

Artist Name: Michael Bruce

I've been drawing for over 42 yrs. It's a God-given talent w/ no drawing classes involved. Doing it has always brought me enjoyment & peace. I love airbrushing, although I cannot do that at the moment, but hope to soon. I never get tired of it & enjoy every second of it, whether for myself or for others. This picture that I've labeled "Unforgiven" is a representation of how unforgiving the world is & can be. But w/ God there's always an unlimited amount of forgiveness & all we have to do is ask for it.
