

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prison

Artist Name: USNDN-WOLF

I have been drawing ever since I can remember, I've always been drawn to doing wildlife Birds of Prey mostly and wolves, about two years ago I got myself a nice amount of paint and started painting wildlife scenes as well as landscapes which I really enjoy doing. My "Convict" Series people might find real interesting as it's going to be a six part series, each painting is intact in and of itself. But when all six are together they tell a story as well. Everyone will just have to wait to see them all - 3
