

Artist Statement: 26th Annual Exhibition of Art by Michigan Prisoners

Artist Name: Joseph R. Smith

~~God~~ God willing, this will be the last year I participate in the Art Show, from the inside. I want everyone to know that this show and everyone who works in it, were a key part in saving my life after I came to prison. Art gave me a way to focus and channel my creativity, but the people from the show feed my confidence and helped me find my self-worth.

I will forever be indebted to you, and words can never fully express my gratitude.
