

Artist Statement: 27th Annual Exhibition of Artists in Michigan Prisons

Artist Name: *Miracle*

I have enjoyed Art since I was a little child, as a adult, I enjoy it even more. It's one of the things that relax me and I enjoy the learning and teaching. At this time in my life, I'm learning to step outside my comfort zone, do something different, even share some of those inner pictures that I do find hard at times to express on canvas. I look forward to growing more as a artist and sharing.
