Scrappy's Savior

This is my third year participating in this exhibit. I absolutely love all it offers to the public and prisoners alike. It is a great program that touches so many lives. I look forward to the feedback from the public all year as it encourages me to do better. Thank you all for your support and giving us a little back that we've lost during our incarcerations. I look to keep participating until my release then attending the show after. Keep up the amazing work!

Respectfully,
Mitchel
