PCAP Miniatures 2021 Exhibit

Artist Name: MONTNEY

This year has seen us all go through many changes and in some cases allowed us to try new things. I feel this exhibit as has allowed me to show some new things on a smaller scale, which has given me the freedom and confidence to step outside of my normal and work in away that won't eat up a bunch of time, materials, and resources in order to get feedback that would be valuable to my artistic journey. While I could go on about the pandemic and its darkness, I feel I don't have enough room to celebrate its heroes. The pen & ink drawings reflect on the things I love and miss like people watching, pond hockey, and pups, which are some of the things that have made me smile over this long past year.
